With only a day left before the grand opening of Care-a-lot Park, the Care Bears are hard at work putting the finishing touches on the Funderbolt, the most exciting roller coaster Care-a-lot has ever seen! But when Oopsy breaks the Funderbolt, it's up to him to figure out a way to fix it fast. Will a mysterious bear named Grizzle be able to help the Care Bears?

It was a beautiful day in Care-a-lot. All the Care Bears were excited about the opening of Care-a-lot Park tomorrow. There was still a lot of work to be done building the new Funderbolt roller coaster.

Oopsy Bear was special. He was the only Care Bear without a belly badge. Oopsy was always getting into trouble no matter how hard he tried to help out.

OOPSY!

"Now the Funderbolt is ruined!" cried Grumpy Bear.

"And Care-a-lot Park is supposed to open tomorrow!"
said Cheer Bear.

The Care Bears gave Oopsy Bear a new job hanging up signs.
Cheer Bear handed him a whistle.

"Oopsy, if you need help," said Cheer, "blow this whistle and
I'll come right away."

Meanwhile, high in the clouds, a different kind of bear was working on a different kind of ride — the Caretaker.

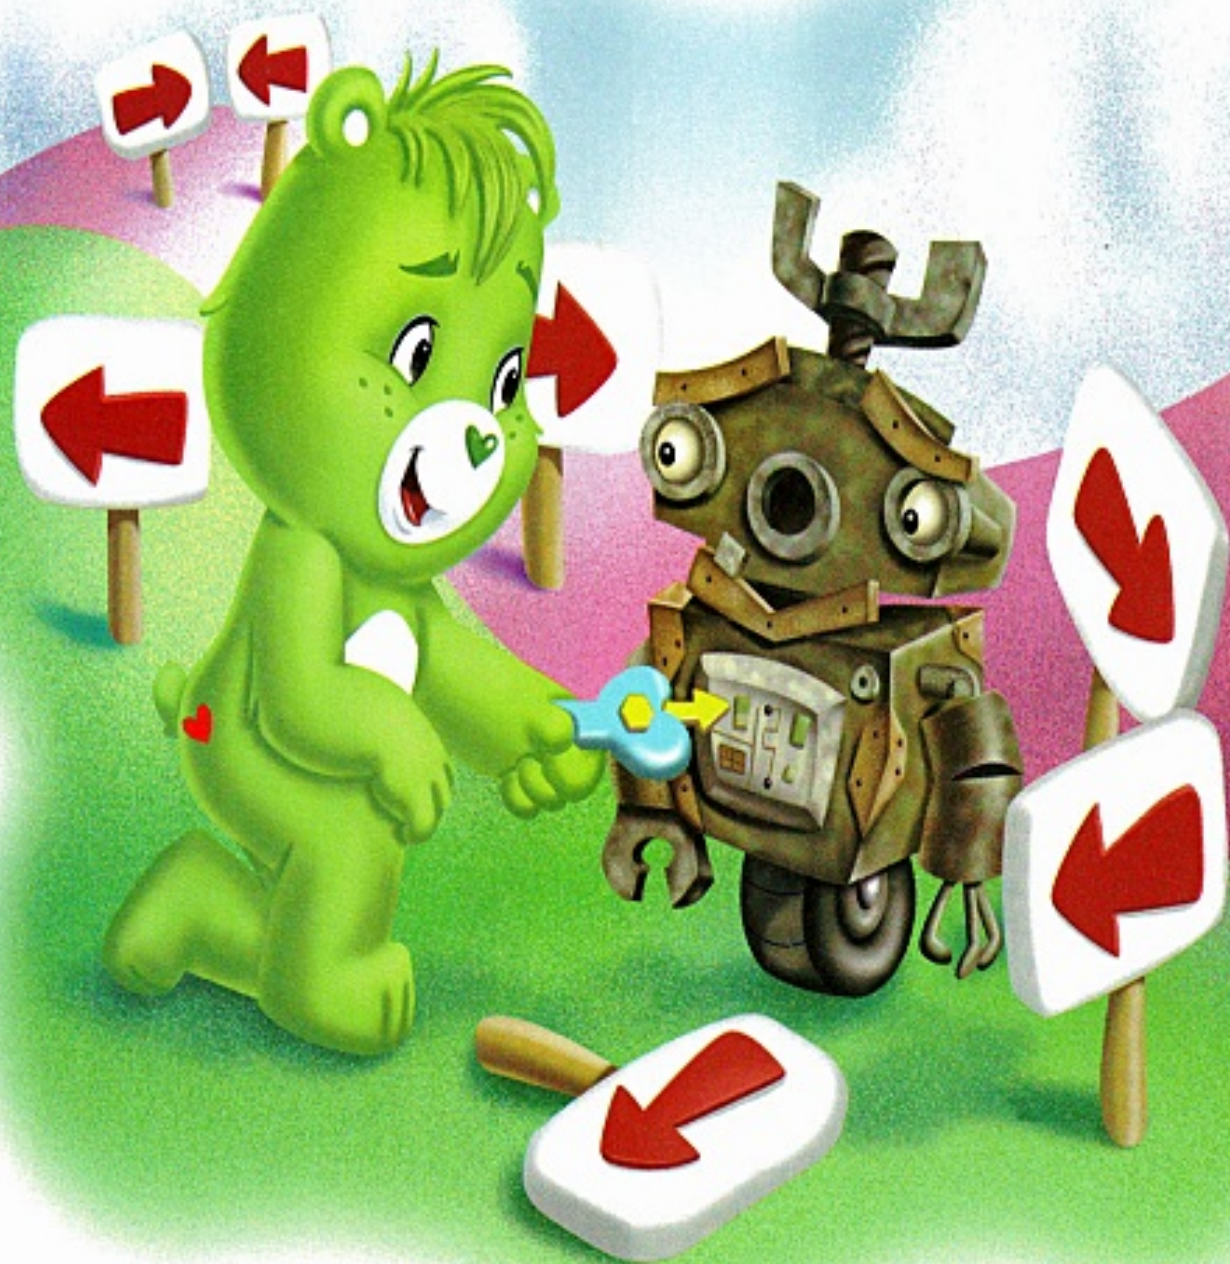

"Soon those pesky Care Bears won't be able to care about anything!" Grizzle laughed.

Grizzle was planning to use the Caretaker to steal the Care Bears' belly badges and take over Care-a-lot.
"Go find me some Care Bears, you heap of junk," Grizzle ordered his assistant Wingnut.

Oopsy told his new friend about the broken Funderbolt. Wingnut thought that Grizzle could help and took Oopsy to his lair.

"Forget your Funderbolt, behold the Caretaker! The ultimate carnival ride!" Grizzle said proudly.

The Caretaker was not finished. It still needed three ingredients: sunshine, a storm cloud, and a rainbow.

Grizzle agreed to lend Oopsy Bear the Caretaker . . . if
Oopsy Bear could get him the missing ingredients.

All the Care Bears were so busy at Care-a-lot Park that
no one noticed what Oopsy Bear and Wingnut were doing.

First, Wingnut helped Oopsy Bear collect some sunshine.
Next, Oopsy Bear sucked up some of Grumpy Bear's storm
cloud.
Finally, Oopsy Bear tried to catch a little bit of rainbow. OOPSY!

When Grizzle added the sunshine and the storm cloud to the Caretaker, it zoomed to life . . . but the Caretaker was still not ready. "Without a real rainbow, the Caretaker won't work!" roared Grizzle.

That gave Oopsy Bear an idea. He blew Cheer Bear's emergency whistle, and suddenly Cheer Bear came in on a rainbow.

The rainbow was exactly what Grizzle needed. Now the Caretaker was ready!

"Oopsy, what's going on? I don't like this place," said Cheer Bear.

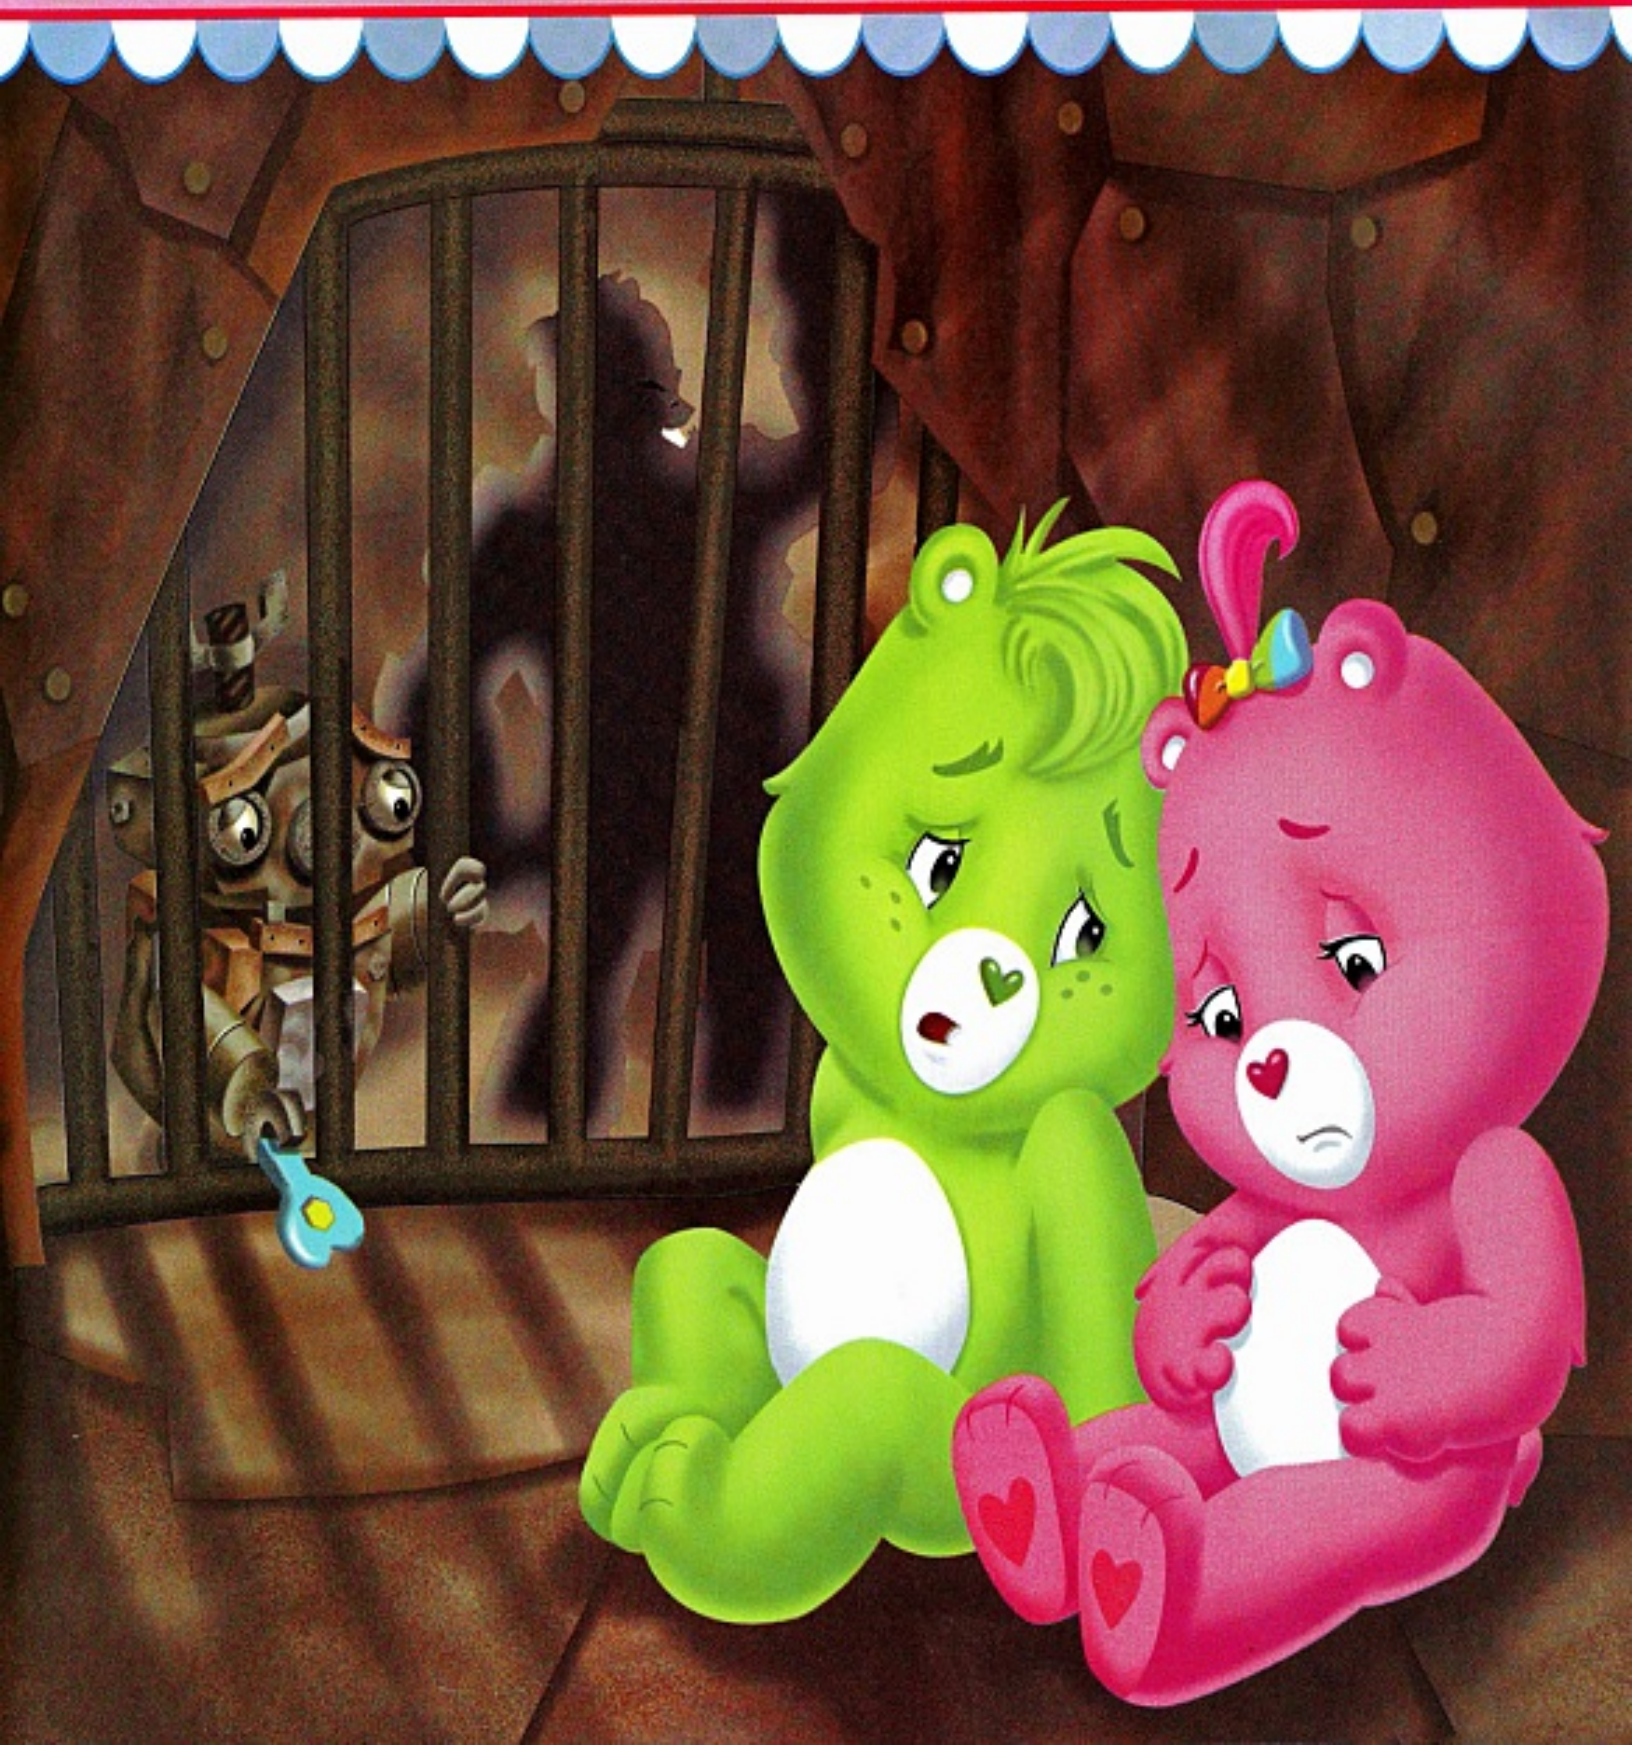

Oopsy Bear told her that Grizzle's Caretaker was going to save the day, but Cheer Bear wasn't so sure.

"Why not be the first to try the ride?" asked Grizzle.
He pushed Cheer Bear inside the Caretaker.
"Wow, that was fun!" exclaimed Cheer. "But . . . where's
my belly badge?"

The Caretaker had snatched Cheer Bear's belly badge!
"Now to steal more belly badges!" Grizzle laughed evilly as he
locked up Cheer and Oopsy.
His plan was working!

It was opening day of Care-a-lot Park, but the Funderbolt was still not ready.

"What are we going to do?" asked Share Bear.

Just then, Grizzle appeared. "Don't despair, Care Bears. Oopsy Bear asked me to bring you a new, fantastic ride."

Wingnut felt bad and tried to stop the Care Bears from going on the ride, but they didn't listen.

"Whee! That was fun," said Funshine Bear. But his smile soon faded.

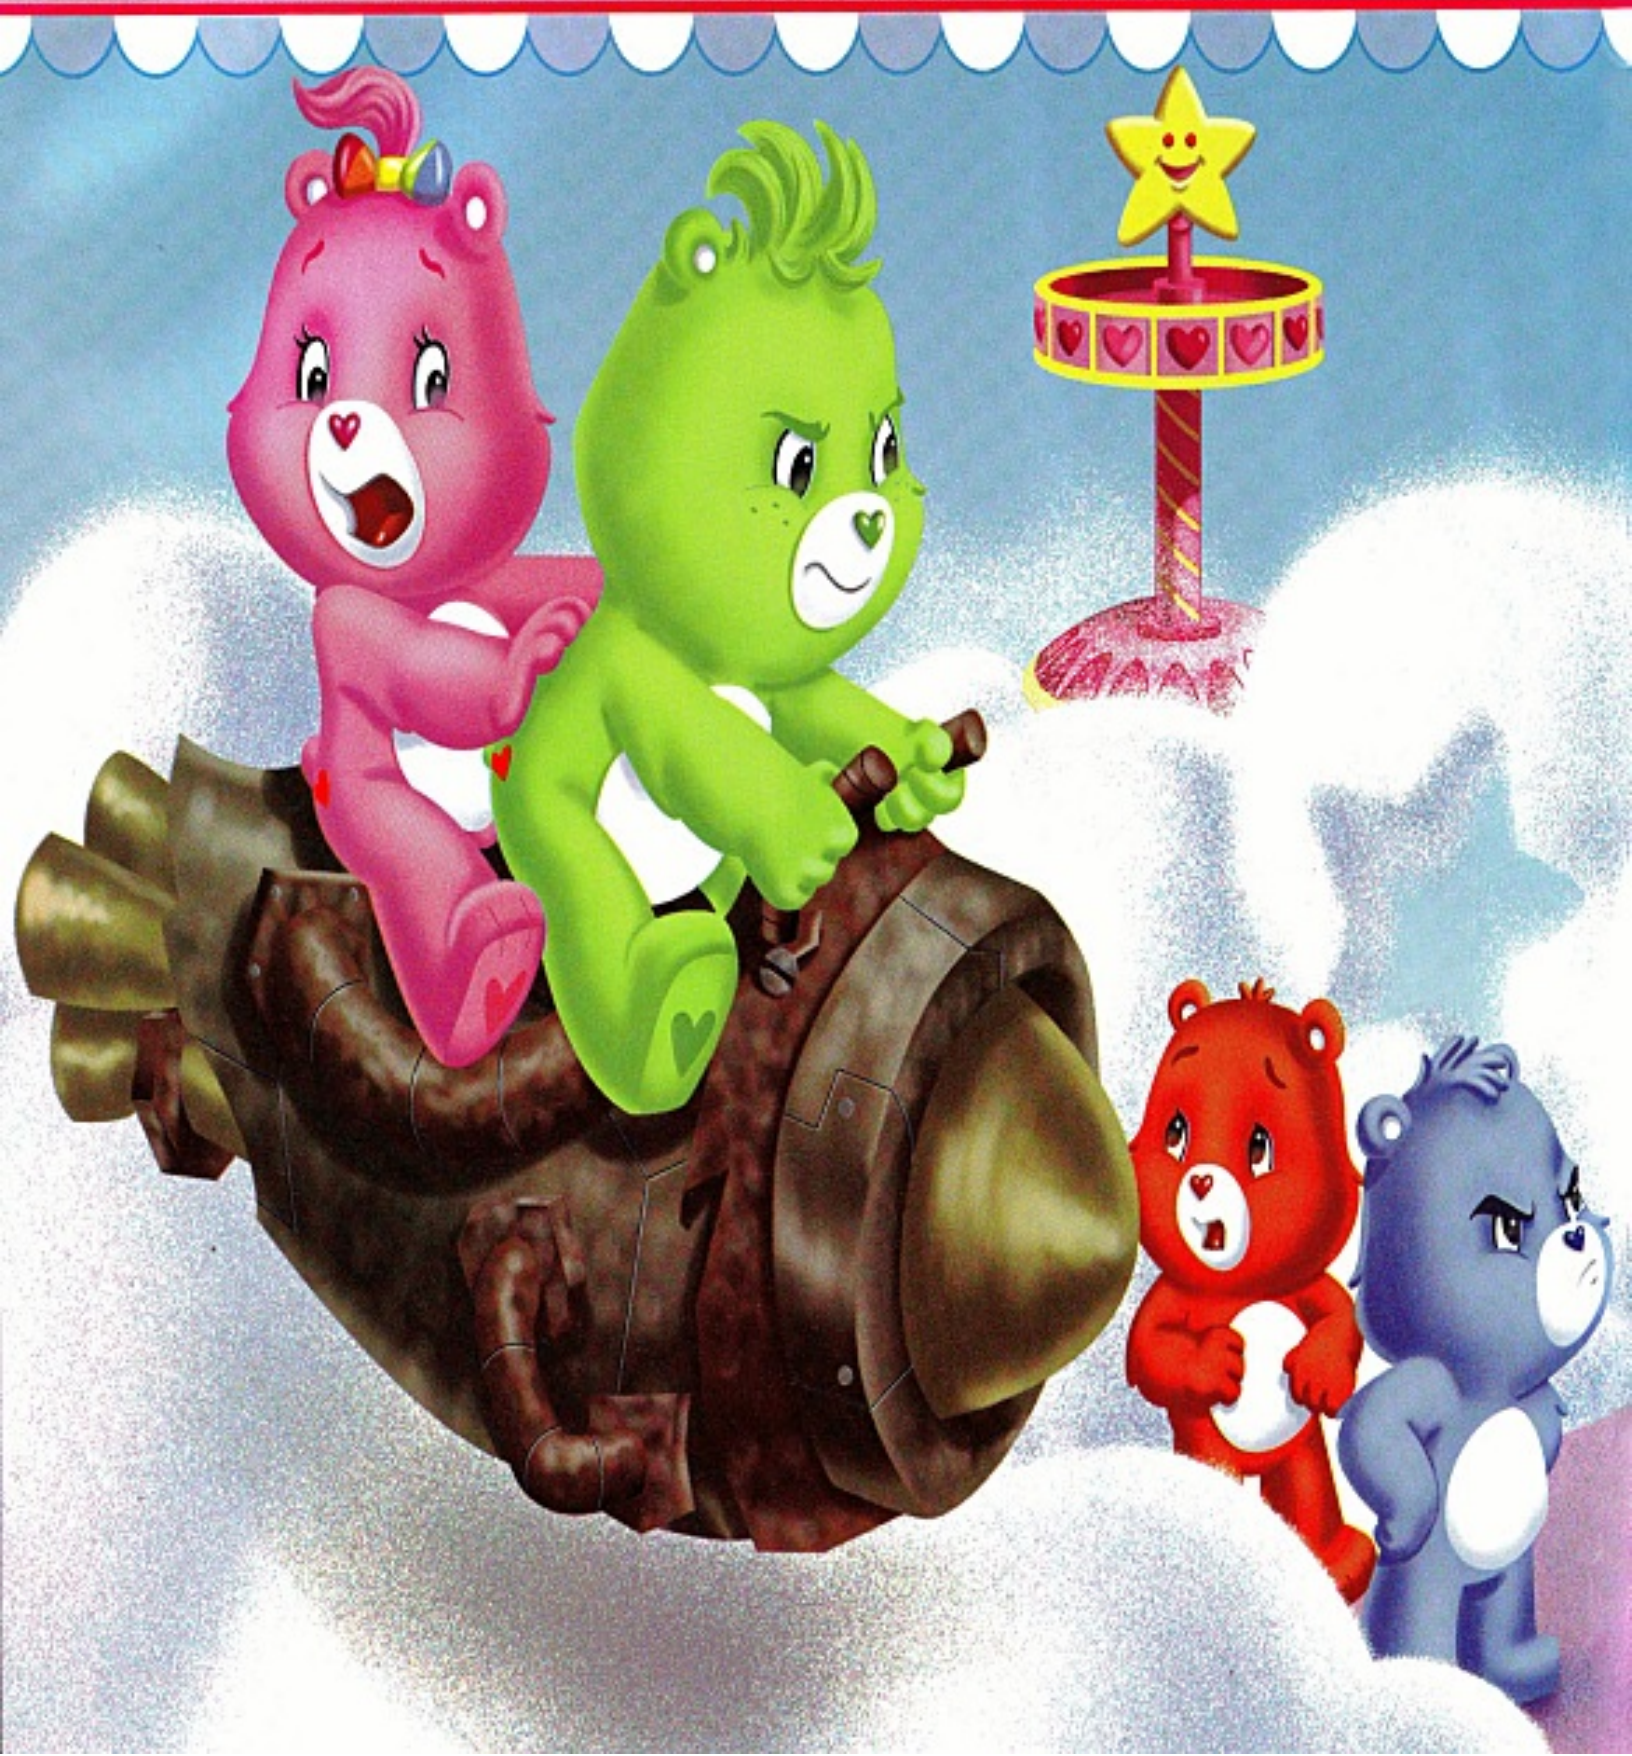

"He stole our belly badges!" exclaimed Grumpy Bear.

"Let's do a Care Bear stare!" said Funshine. But they couldn't — not without their belly badges.

Cheer Bear and Oopsy Bear had escaped from Grizzle's lair, but they were too late.

"Say good-bye to your precious Care-a-lot." Grizzle was about to blast the Care Bears with the power of their own belly badges!

"Why isn't this working?" hollered Grizzle.

"Because you have to care, and you don't!" Oopsy Bear said bravely. Just then, Wingnut knocked the sphere out of Grizzle's hand. Oopsy Bear tried to catch the sphere, but Grizzle got it first.

Grizzle was so mad that he smashed the sphere.
Now the Care Bears would never get their belly
badges back!

Suddenly Oopsy had a thought — he didn't have a belly badge, but he was still a Care Bear!

"You don't need a belly badge to care!" he cried out.

The Care Bears realized that Oopsy was right. Then they cared like never before. That's when all the belly badges came back.

"I took those belly badges once, and I will again!" Grizzle hollered, but he wasn't so scary anymore. He was just a tiny bear.

"It's time you left," Oopsy Bear said.

"You haven't seen the last of Grizzle!" the little bear hollered as he flew out of Care-a-lot Park.

The Care Bears had saved the day, but they couldn't celebrate for long. The Funderbolt still had to be fixed.

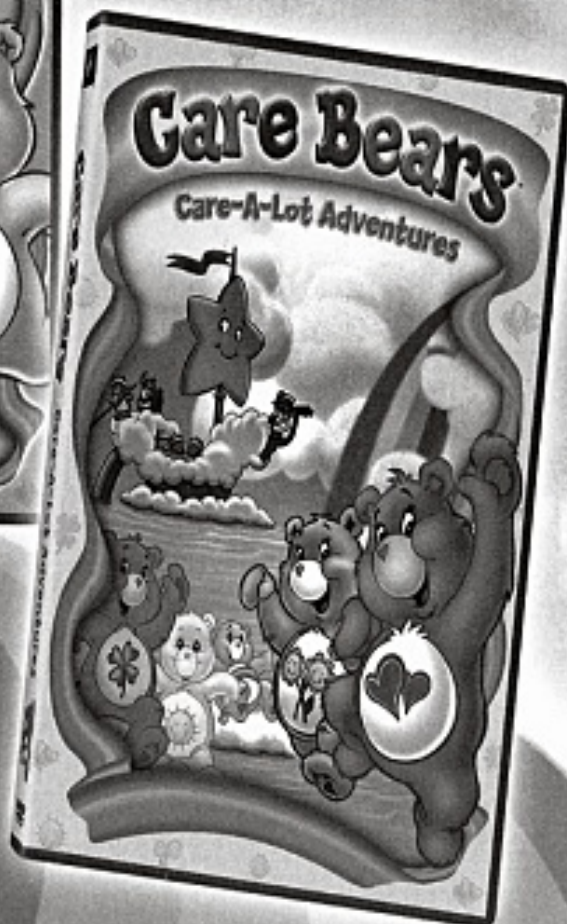

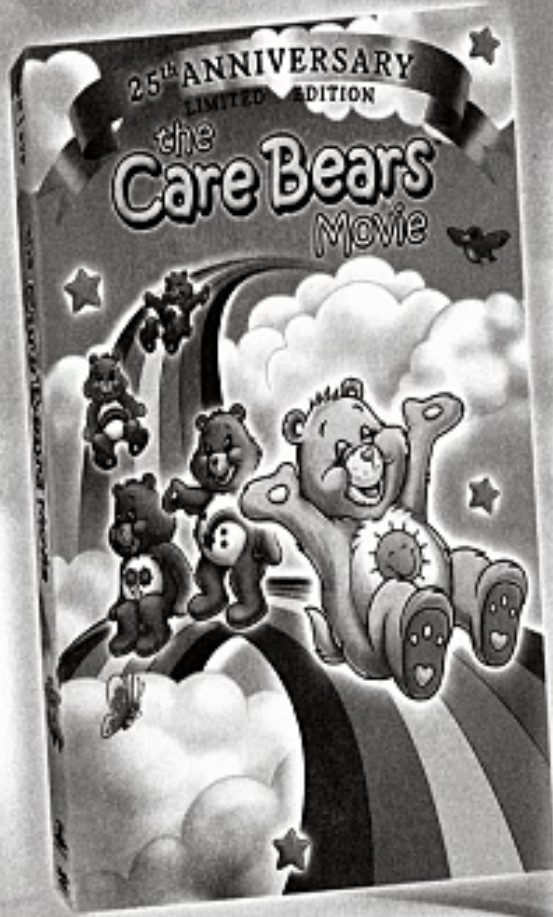

Finally, the Funderbolt was ready! The Care Bears even named the super special double loop after their friend. Hold on tight for the Loop de Oopsy!
